Editorial

If someone would have told me last month that I would be writing this while 300 miles away from home, stuck in traffic looking out on snow covered fields and just two weeks before Christmas. I would have definitely said they were bonkers.

But here I am in that exact situation, maybe I'm the bonkers one then. Now usually the January issue is a time for reflection on the year that has passed even if it went by in the blink of an eye.

However I think I'll leave those reflective words for our Chairman and Competition updates. Instead I'm going to look forward to next year and make a new year resolution for everyone to send in at least one article for the magazine over the course of the year. It doesn't have to be long. One page will do.

Have a very good festive season & a happy new year.

Until Next Month, Good Bye. *Rob Selley*

Chairman's Chat

Well here we are at the festive time. The time for family, friends and those we hold dear. It's also a time to reflect on the year. So where do we start? For a change I'll start at the end and will start with a huge thank you to all that gave up their time and helped with running the LE JOG tests at Exeter Racecourse. Thanks to Peter Locke for being burdened with holding the fort and organising the personnel, cones and everything else. I did feel for the competitors heading North through the snow and ice that plagued the midlands and the north. One other "event" in December didn't fair too well on the volunteer front was the working day at Werrington, I do feel hypocritical as I was unable to make it there but we all need to support a little better.

Whilst talking Werrington, the 2017 event threw up an unusual problem in our Werrington Co-Coordinator became less mobile than he usually is! It was fantastic to see how everyone pulled together to get the event set up run and packed away. Although the manpower (especially for packing up) is dwindling and we need more people to help. Peter and helpers have done a fantastic job in organising tyres into "towers, bales" or whatever you like to call them, added with the telehandler this year has made life a lot easier, but we still need help setting up and packing away so if you can help for the 2018 event then that would be fab. When you have an event that is so well supported by entries (I recall 75% full within 48 hours or something like that!) makes all the more reason to make sure we can set it up and pack it away as easily as possible (many hands make light work!)
The 12 car series this year had a few ups and downs but all in all everyone seemed to enjoy the events.

Entries towards the tail end of the year dropped off, I would surmise that's due to Nat B road rallies on the following evening. We have struggled with marshalling this year, not just the 12 cars but at Werrington as well, I would ask/plea that if you can spare some time to help with the events we would be eternally grateful.

The Comus Cup and Scatters had a slightly different date application this year. Entry numbers are somewhat disappointing for these, whether it's a clash with another event or something else I'm not sure. If you have any ideas or suggestions to help raise these events then please let us know.

Unfortunately our autotests didn't run this year due to lack of venue again any ideas/suggestions of venues gratefully received!

This years' Boconnoc or to give it the full title Motorsport Carnival @ Boconnoc was unfortunately cancelled, however everything is in place for the 2018 event.
Wiscombe 5Clubs had a fantastic day on the Saturday and Mother Nature played her hand on the Sunday with "Rain Stopped Play" which seemed to be a recurring "problem" this year across many events.
The club attended, at somewhat short notice, the Performance Plymouth event that was organised by the local Roads Policing Dept in Plymouth, thanks go to the guys and gals that helped on the day.

The latter part of the year the club started on the road to running a Rally Time Trial in 2018 at the Mount Edgecombe Estate. More news on this soon!
The Club is also involved with the Watergate Bay Hillclimb closed road event and we should know early 2018

regarding track licence and permits.
The club has grown in terms of memberships and boosted its radio operators for the MSA Safety Radio Network.
Don't forget the Dinner& Dance annual awards evening on Saturday 20th January, this year to be held at the Mount Batten Centre. For menu options and ticket info please see the main advert in this mag. Please remember to submit your options before Monday 08th Jan, also a reminder that no cash in the post, payment is via cheque or bank transfer, thank you.

I would like to take this opportunity to say a few personal things if I may; 2017 has been an extremely difficult year for Liz and myself, we would just like to say a very humble thank you to people who have helped and supported us. We are indebted to you and will never forget the kindness you have shown.
Finally all may I, on behalf of the Plymouth Motor Club committee, wish you all a very Merry Christmas and a Happy New Year
Don't forget if you need or would like to talk to me, please don't hesitate to contact me email is: chairman@plymouthmotorclub.co.uk or 07867 86094 is my mobile number.

Competitions update – December 2017

For those of you who are ancient like me may remember a series of books written by James Herriot detailing stories from his working life as a vet. The books had titles that usually started "Vets …". The title of one of them came to mind the other Saturday whilst we were working at Werrington – "Vet in a spin". The trigger for this was "Doctor Stu" sprawled on a pile of tyres trying to stop the tarpaulin that was covering them from blowing around. "Doc in a spin" I suppose, judge for yourself! Note the gaffa tape around Stuart's right boot, ask him about it when you next see him!!!!!

Many thanks to John, Stuart, Geoff & Keith who turned to help move some tyres around in the barn and tidy it up a bit in preparation for next year.

It's been a time of planning & preparation recently, the above "Werrington Saturday" being one day and, the Sunday before, "Mount Edgcumbe Sunday" when a large crowd (about 30 people amounts to a large crowd for the club these days!) of club members took to the roads of the Mount Edgcumbe estate for a Sunday afternoon stroll to have a look at the proposed venue for next year's Rally Time Trial or Targa rally – or both! There were lots of ideas, questions and general good-natured banter during the afternoon as people began to realise the possibilities of the

place and the next step is to form a working group to formulate a plan of the event that we would like to run so that it can be discussed with the estate management team early in the new year. Make no mistake, it's going to be a big task and will need lots of people to get involved to make it happen, so we have arranged a meeting at the Union Inn, Plympton on 9th January at 8pm to make a start. Please come along if you are interested in joining in with this new venture for the club.

Ever been duped???? I was recently. I volunteered to help marshal a test for Le Jog, the historic endurance rally. Only, when it came to it, it wasn't one test but two, at a venue that I'd never been to before, and Jay had to work and left me "in charge of things". Luckily I was able to rope in some OAPs, sorry - club members from Torbay Motor Club, to come and help us out so we had enough marshals. One test was a circuit of the perimeter track of Exeter racecourse and the other was an autotest type thing in the car park. As the location as also the lunch stop for competitors there was even some spectators! Despite a dire weather forecast the day before, everything went well in the end. My thanks to all of those who turned up and helped – too many to mention by name this time but I think there'll be a picture in this magazine somewhere!!!!

Happy Christmas to you and your family, have a good one and I'll see you at the Awards Presentation Evening on the 20th January at Mountbatten.

More news next ~~month~~ year.

AUTOTESTS AND AUTOSOLO 2018

Unfortunately suitable venues for Plymouth MC Autotests have been hard to find and its some years since events of this kind have been run locally. But probably unknown to many Camel Vale and Truro have use of great venues for both Autotests and Autosolo events

Both clubs ran numerous events in 2017 and already CVMC have published the dates for their events , and the even better news Plymouth MC are always an invited club so no additional membership is required

The planned dates for CVMC 2018 Events are as follows

25th March	**Autosolo**	**Perranporth**
8th April	**Autotest**	**Perranporth**
20th May	**Autotest**	**Venue to follow**
3rd June	**Autosolo**	**Perranporth**
24th June	**Autotest**	**Venue to follow**
1st July	**Autosolo**	**Perranporth**
22nd July	**Autotest**	**Venue to follow**
11th August	**Autotest**	**Boconnoc**
19th August	**Autotest**	**Venue to follow**
27th August	**Autosolo**	**Perranporth**
9th September	**Autotest**	**Venue to follow**
16th September	**Autosolo**	**Venue to follow**
21st October	**Autosolo**	**Venue to follow**

Return of Award Trophies

I'm afraid its time to think about taking your trophy off the mantlepiece, giving it a good polish with Silvo and getting it back to me.

As the Dinner and Dance and Presentation is planned for January next year
the engravers need to start in December.
I therefore would like them back by the beginning of December.

You can make arrangements with me or via any committee member.
I will also be at the start of the November 12 car.
