**Entries are now to be made via the online entry system found on the Plymouth Motor Club Website.**

**Your entry will only be classed as accepted once you have filled out the entry form fully and paid the entry fee, no on the night entries will be accepted**

Entries are open to **Paid up** members of Plymouth Motor Club, Torbay Motor Club, Camel Vale Motor Club, Exmouth Motor Club, North Devon Motor Club or South Hams Motor Club.

**Club membership cards, and Motorsport UK RS Clubman licences MUST be presented to the 12 Car Coordinator before starting the event.**

1. Competitor's vehicles must comply with latest **Motorsport UK** Bluebook sections: R18.1 to R18.1.9 inclusive, R18.1.5 to R18.1.9, and R18.5 to R18.6.6 inclusive.
2. The entry fee for the Event will be £17.00 per car, (1 Driver + 1 Navigator). The co-ordinator reserves the right to increase this fee at any time should this become necessary.

**Close of entries for each event will be Wednesday 9<sup>th</sup> February 2022. No late entries will be considered.**

There will be a minimum entry of 5 cars for each event and a maximum of 12 cars. If the minimum number has not been confirmed by 9.00pm on the Wednesday preceding the event, the event may be cancelled.

3. **The first 12 completed Online Entry Forms plus Fees received by the Series co-ordinator via the online entry system before the close of entries will run in an event.**

**Crews who have sent in an entry must ring, confirm on Facebook event page, text, or WhatsApp Simon Heywood the co-ordinator 07891161441 to confirm their entry by 9.00pm on the Wednesday prior to the event, please only call or text between the hours of 9am to 9pm. A crew who does not confirm and subsequently turns up for an event will not be able to enter.**

Entries withdrawn before close of entries will be refunded in full. An entry withdrawn after close of entries will be refunded 50% of the Entry Fee. However, if more than 12 entries are received, those not amongst the first 12, will be classed as reserves.

4. Competitive mileage on each event will be between 40 and 65 miles. Each event will contain at least a combination of three different types of navigation taken from the standard guide as published with these Regulations. No information other than Give Ways, Black Spots and Quiet Zones will be issued until the crews leave the start venue. Crews will be started at intervals of one minute in the order given by the co-ordinator. All Experts will start before Novices.
5. Time of Day penalties will be applied in accordance with the 2022 Motorsport UK Regulation R (**Chart 13**) and the additions as printed in the Series Regulations. **Please read these so you are aware of the penalties!** Maximum lateness on each event will be **20** minutes.
6. Timing on the events will be by BT/BBC. Time of Day penalties will be applied in accordance with the Motorsport UK Regulation R (Chart13) except as printed in these Regulations. The "Three-quarter time" Rule cannot be used.

7. In the event of an accident or if the route has been blocked by someone other than event officials and more than one crew stops to give assistance or have been delayed, then those crews who stopped to give assistance or were affected by the blockage and lose time as a result, will be deemed to have cleaned that section or the section will be disregarded for all competitors by the co-ordinator. The co-ordinator's decision is final as to this rule being invoked and no complaints/protests will be permitted.
8. All penalties will be judged by a **Judge of Fact**, and their name and designated responsibility, will be displayed at the start of the event and all competitors will be required to sign this at MTC1
9. Where 2 or more competitors tie for a position in the results of an event, the competitor who has completed the greatest distance of the event from the start without penalty shall be the winner (Cleanest-furthest!). If a tie still exists, it will be deemed a tie.
10. After the Event, the crew finishing in second place overall will be required to write a report for the Plymouth Motor Club magazine "Spotlamp" which must be passed to the editor by the 14<sup>th</sup> of the following month.
- Failure to provide an article to the editor by the requested date will result in 50% of their event points being deducted.
11. A Control area will be deemed as 50 metre around the marshal's control point (where they stand). If an adjacent road comes within this area, and a competitor is seen by the marshal on this road, the marshal will apply the penalty of a wrong approach/visiting a control area twice dependant on their control status.
12. **"On the night insurance"** will be available from the **via the online entry form** for each event. (Please see **Appendix 1** of these regulations for Details.)
13. The above event regulations may be changed at any time by the co-ordinator **Simon Heywood** without consultation due to the fluidity of the current covid situation.

## APPENDIX 2: CONTROL STATUS / DEFINITIONS.

- RC** **Route Check R11.3 to R11.3.3 inclusive:** An unmanned check to prove a Competitor's adherence to the correct route. Proof of passage will entail the Competitor recording the symbols from a Code Board that must be placed facing oncoming Rally Cars. The Code Board will not be less than 315 sq cm and will show not more than five black numbers or letters (or a combination of both up to a maximum of seven) and be the right way up on a contrasting background. The size of the letters and numbers will be not less than 7.63 cm with a minimum of 1.27 cm stroke width.
- PC** **Passage Control R11.4 to R11.4.2 inclusive:** A manned control established to prove a Competitor's adherence to the correct route. It cannot be located less than 500metres from any other manned control. The only requirement for a Competitor is to have the Marshal's signature or stamp recorded.
- SC** **Secret Check** A manned control established to prove a Competitor's adherence to the correct route. The Organisers/Coordinator may establish Secret Checks at any point on the route. These checks will be manned by a Judge of Fact, and may use any form to identify the competitor, where the competitor maybe required or not, to stop and gain a signature.
- TC** **Time Control R11.5 to R11.5.3 inclusive:** A manned control established to record the time of a Competitor who must come to a stop for the purpose. It can additionally record the direction of approach and departure of the Competitor. The only other information permitted to be recorded by the Marshal is the authentication of the records held by the Competitor. These records to be valid must be signed by the Marshal with the Competitor not being required to make any entry on the Time Card.
- MTC** Organisers may designate certain Time Controls (**R11.5, to R11.5.3 inclusive**): such as Start Controls, Restart Controls, as Main Time Controls (**MTC's**). Competitors failing to visit, or reporting outside their maximum lateness at **MTCs** will be considered to have retired. Early or late arrival or departure will be penalised in accordance with **R13(e) or (f)**.
- NTC** **Non-competitive Time Control** A manned control established to record the time of a Competitor who must come to a stop for the purpose. It can additionally record the direction of approach and departure of the Competitor. The section preceding the NTC is classed as a Neutral and must be treated as a quiet. It must be completed by competitors without the use of any auxiliary lighting, except as permitted by law in condition of poor visibility (R10.3.1) An NTC is a re-joining point where competitors may re-join the rally after getting lost/breaking down (R16.1.6) **Competitors are not permitted to make up time on the public road in a neutral section (R10.3.2b)**
- LRTC** **Lateness-Recovery Time Control.** Organisers may designate certain Time Controls as lateness recovery time controls LRTC's An LRTC allows competitors to recover a maximum of 10 minutes per event.
- QUIET** All **Quiets** are to be traversed in as high a gear as possible, observing the speed limit in force for that section of road. Any competitor seen to be **not** observing this will be excluded. Use of Auxiliary lights in these areas will also incur a penalty13 (**k**)
- CRO** **Coloured Roads Only** – Green/Red (A roads) Brown (B Roads) and Yellow coloured roads to be used. All roads that start coloured Yellow but either lead into a "No Through Road" or lead into a lesser graded road (White) will always be shown on route information.
- WHITE** Roads that are not coloured on the Map, these may only be used if they are passable by a standard road going car and Subject to the co-ordinators agreement
- NAM** **Not As Map** – A junction or road section that is not as printed on the map, but as on the road.
- GW** **Give Way.** Vehicle must be stationary, we recommend the driver repeats to himself .....Stop , 2 , 3 , Go , to avoid any issues
